United States of America

Dear Mrs Ford

I am deeply saddened to hear of the passing of your beloved husband, the late President Gerald R. Ford. On behalf of the people of Singapore, I extend our heartfelt condolences to you and your family.

President Ford brought to America a unifying leadership at a time of intense division in your country. His ability to rise above partisan politics and serve a greater good, both for America and the rest of the world, was exemplary. He will be remembered as a man of vision and integrity and one who had an abiding interest in the peace and stability of our region.

Our thoughts are with you and your family at this difficult time.

Yours sincerely

S R NATHAN
