Smart City Action Plan

VISION

To be a Visitor-Friendly International Community with a New Central District filled with various attractions and infrastructures.

FOCUS AREAS

- Built infrastructure
- Quality Environment
- Industry and Innovation

STRATEGIC TARGETS

- Develop a New Central Business District (CBD)

Smart City Project 1

Transport Hub Development at Bang Sue Area

OVERVIEW

Serving as the main stop for the High-Speed Rail, the Bang Sue Central Railway will function as the hub of the new Commuter Rail System that provides new lines serving the areas near the city centre. The Transport Hub Development aims to overcome the existing infrastructural pressure on the existing terminal while simultaneously reducing commuting time.

SUPPORT REQUIRED

- Financial support
- International advisory support

Smart City Project 2
Smart City Plan

OVERVIEW

The Smart City Plan of Pahonyothin aims to be the ideal place for visitors with its strong international community, and the New Central District full of attractions. Coined as the Gateway to City of Angels, Pahonyothin is to consist of various transport systems such as pedestrianization, cycling, bus and metro.

SUPPORT REQUIRED

- Advisory on smart city development
- Urban design and development
