Dear *Excellency*,

My congratulations on your appointment as the 26th Prime Minister of the Kingdom of Thailand.

Singapore and Thailand enjoy a longstanding and substantive relationship which spans many areas of cooperation. People-to-people ties are also strong. Our two countries share a common approach on many regional and international issues, particularly our commitment towards a more integrated ASEAN.

I look forward to working with you to advance regional cooperation during Thailand's Chairmanship of ASEAN and further strengthen our bilateral relations.

Yours *sincerely*

His Excellency Somchai Wongsawat
